Sub: Cover Letter – Backend Software Engineer

Dear Hiring Manager,

I am excited to apply for the Backend Software Engineer position at Addepar. As a recent BCA graduate with Full Stack Development training from Masai School, I possess expertise in Java, Java Spring, HTML, CSS, and JS.

Addepar's focus on data-driven investing and innovation align perfectly with my passion for delivering impactful solutions. I am eager to join the Analytics Platform Team and contribute to projects that help financial professionals manage trillions of dollars in assets.

My dedication to continuous learning and adaptability to new technologies make me a strong fit for Addepar's values. I am enthusiastic about the opportunity to contribute my skills and creativity to your dynamic team. Thank you for considering my application. My resume is attached, and I am available at +91-8999793436 or abhijeethiwalemail@gmail.com for further discussion.

Sincerely,
Abhijeet Hiwale
